Jennifer,

The three counties met this morning and discussed the heater replacement. On the request of Commissioner Wheeler, we would like to have you seek bids for replacement of both the AC units and heating units at the same time. Commissioner Lomax suggested to add Elam and Master Air to the list of companies to seek bids from (in addition to KECK and Peters). Keck and Peters would only need to add the AC replacement to the current bids. I am sure it goes without saying, but as a reminder, please do not discuss the quotes you have already received with anyone.

Thank you,

Lacey Miller
